The Oxford Companion to Shakespeare Michael
Dobson 2015-10-29 The Oxford Companion to
Shakespeare is the most comprehensive reference
work available on Shakespeare's life, times, works,
and his 400-year global legacy. In addition to the
authoritative A-Z entries, it includes nearly 100
illustrations, a chronology, a guide to further
reading, a thematic contents list, and special feature
entries on each of Shakespeare's works. Tying in
with the 400th anniversary of Shakespeare's death,
this much-loved Companion has been revised and
updated, reflecting developments and discoveries

made in recent years and to cover the performance, interpretation, and the influence of Shakespeare's works up to the present day. First published in 2001, the online edition was revised in 2011, with updates to over 200 entries plus 16 new entries. These online updates appear in print for the first time in this second edition, along with a further 35,000 new and revised words. These include more than 80 new entries, ranging from important performers, directors, and scholars (such as Lucy Bailey, Samuel West, and Alfredo Michel Modenessi), to topics as diverse as Shakespeare in the digital age and the ubiquity of plants in Shakespeare's works, to the interpretation of Shakespeare globally, from Finland to Iraq. To make information on Shakespeare's major works easier to find, the feature entries have been grouped and placed in a centre section (fully cross-referenced from the A-Z). The thematic listing of entries - described in the press as 'an invaluable panorama of the contents' - has been updated to include all of the new entries. This edition contains a preface written by much-lauded Shakespearian actor Simon Russell Beale. Full of both entertaining trivia and scholarly detail, this authoritative Companion will delight the browser and reward students, academics, as well as anyone wanting to

know more about Shakespeare.

Shakespeare in Modern English Translated by

Hugh Macdonald 2016-12-05 Shakespeare in

Modern English breaks the taboo about

Shakespeare's texts, which have long been

regarded as sacred and untouchable while being

widely and freely translated into foreign languages.

It is designed to make Shakespeare more easily

understood in the theatre without dumbing down or

simplifying the content. Shakespeare's 'As You Like

It', 'Coriolanus' and 'The Tempest' are presented in

Macdonald's book in modern English. They show

that these great plays lose nothing by being acted

or read in the language we all use today.

Shakespeare's language is poetic, elaborately rich

and memorable, but much of it is very difficult to

comprehend in the theatre when we have no notes

to explain allusions, obsolete vocabulary and

whimsical humour. Foreign translations of

Shakespeare are normally into their modern

language. So why not ours too? The purpose in

rendering Shakespeare into modern English is to

enhance the enjoyment and understanding of

audiences in the theatre. The translations are not

designed for children or dummies, but for those who

want to understand Shakespeare better, especially

in the theatre. Shakespeare in Modern English will

appeal to those who want to understand the rich and poetical language of Shakespeare in a more comprehensible way. It is also a useful tool for older students studying Shakespeare.

Shakespeare's As You Like it William Shakespeare 1887

The plays and poems of William Shakspeare, with the corrections and illustr. of various commentators; to which are added An essay on the chronological order of his plays; an essay relative to Shakspeare and Jonson; a dissertation on the three parts of King Henry vi; an historical account of the English stage; and notes. By E. Malone. 10 vols. [in 11 pt.]. William Shakespeare 1790

The National Rural Letter Carrier 1953

Prayer and the Scoutmaster Phillip Eldridge

Williams 2012-03-19 The glaring question here is what does Prayer have to do with whatever Scoutmaster is. This book is the effort to show that they, indeed, are one and the same. From the Oath, "On my honor I will do my best to do my duty to God and my country" to the last point of the Scout Law being Reverent, Williams examines the in's and out's of the intricacies of prayer: How to listen, how to help others listen and the temptations that have plagued mankind from the beginning to look elsewhere for his answers when, indeed, they are

as “close as breathing and nearer than hands or feet.” One may have little knowledge of the Boy Scouts of America, but what you see in this definition of prayer will either confirm your faith or challenge you to grow in the exercise of the same. Petrosean 1875

The Port Folio 1808

Peasants, Populism and Postmodernism Dr Tom

Brass 2013-02-01 Tracing the way in which the

agrarian myth has emerged and re-emerged over

the past century in ideology shared by populism,

postmodernism and the political right, the argument

in this book is that at the centre of this discourse

about the cultural identity of 'otherness'/ 'difference'

lies the concept of and innate 'peasant-ness'. In a

variety of contextually-specific discursive forms, the

'old' populism of the 1890s and the nationalism and

fascism in Europe, America and Asia during the

1920s and 1930s were all informed by the agrarian

myth. The postmodern 'new' populism and the 'new'

right, both of which emerged after the 1960s and

consolidated during the 1990s, are also structured

discursively by the agrarian myth, and with it the

ideological reaffirmation of peasant essentialism.
