We Bled Together Dominic Price 2017-11-10 There is no crime in detecting and destroying in wartime the spy and informer...I have paid them back in their own coin. - Michael Collins Michael Collins' development of a formidable intelligence network transformed, for the first time in history, the military fortunes of the Irish against the British. The Dublin Brigade of the IRA was pivotal to this defining strategy. In 1919, Collins formed members of the brigade into two Special Duties Units. They eventually joined to form his 'Squad' of assassins tasked with immobilising British intelligence. Eyewitness testimonies and war diaries lend immediacy and insight to this thrilling account of the daring espionage and killings carried out by both sides on Dublin's streets. Dominic Price reveals how the IRA developed Improvised Explosive Devices, and experimented with chemical weapons in the form of poison gas and infecting water supplies. When the Civil War erupted, the devotion of a significant cohort of the Dublin Brigade to Collins, forged during the darkest of days, was unbreakable. Many of them, identified here for the

first time, formed the backbone of the Free State in key intelligence and military roles. While not shying away from the revulsions of the Civil War, neither does Price abandon the brigade's story at its conclusion. As well as revealing the disenchantment of some, who took part in the 1924 army mutiny, he exposes the personal horrors that awaited in peacetime, when psychological trauma was common. This is the stirring and poignant story of the human endeavour and suffering at the core of the Dublin Brigade's fight for Irish freedom.

Hopeless But Not Serious Jack McLean 2013-08-21 In the early 1950s Sir Winston Churchill met the Irish politician Sean Lemass, who was later to become Taoiseach. The great statesman remarked upon the economic circumstances of Britain at the time. 'The situation in Great Britain,' quoth Churchill in his most grandiloquent tones, 'is serious but not hopeless.' Lemass responded instantly, 'Sure,' he said, 'it's exactly the opposite in Ireland.' Thus the title for Jack McLean's autobiography. It is a book about being born into the new world after the Second World War. McLean's varied experiences during a time which shifted from the residue of pre-war attitudes to a change in global culture are chronicled, as are his relationships with a large number of the students who are now household names.

McLean is suitably scathing about most of them. Equally so is his account of the next step in his career - the turbulent area of education. He entered this a skilled politico and left a skilled sceptic. His final retirement from both education and politics was welcomed by all, not least himself. In this book we learn about what there was in his life and background to make him into one of the most polemical journalists to emerge in the post-war years 'No great task considering what there is really' said McLean when confronted with that observation. 'I only write what I've done, or didn't do at that.' Friend or foe notwithstanding, this book is about the times in which McLean has so far lived, along with lots of you out there. He says it's fairly true as well. Or at least honest.

Scheepsberichten Annie Proulx 2013-05-07 Quoyle, een onhandige derderangsjournalist, werkt voor een plaatselijke krant in het noorden van de staat New York. Nadat zijn vlinderachtige, overspelige echtgenote is verongelukt, weet zijn tante de verslagen Quoyle over te halen om met haar en zijn beide dochtertjes het verlaten voorouderlijk huis aan de kust van Newfoundland te betrekken. De ruige streek met zijn onherbergzame klimaat stelt de weduwnaar voor nieuwe uitdagingen: hij moet een oud huis bewoonbaar zien te maken en zich als verslaggever van de scheepsberichten bewijzen in de Gammy Bird, een bizarre krant die voornamelijk aandacht besteedt aan seksschandalen en auto-ongelukken. De confrontatie van de trage, maar allesbehalve domme Quoyle met de woeste natuur en zijn contacten met de niet bepaald tamme Newfoundlanders worden met groot vakmanschap, veel vaart en een aanstekelijk gevoel voor humor beschreven.

Jimmy Reid W. W. J. Knox 2019 Described as the best MP Scotland never had,

Jimmy Reid was undoubtedly of the most important figures of late twentieth-century Britain. Often at the forefront of the major turning points in the history of industrial relations and politics in Britain, Jimmy's story is an epic one; from a poverty-stricken background in Govan, Glasgow, he became a communist at a young age, leading a national strike of engineering apprentices while only twenty, before being thrown into the national limelight as the leading spokesperson for the Upper Clyde Shipbuilders Work-In in 1971-2. Disillusioned with communism he left the Party for Labour and the centre-left before leaving them disenchanted with New Labour to join the Scottish National Party. This enlightening book looks at Jimmy's political journey from Communism, to Labourism, and ultimately to Nationalism (a political life in three acts), which not only speaks of the complexities of left politics after 1945, but also illuminates our understanding of institutions and social change in post-war Britain by showing how they were understood and negotiated by one inspirational individual.

The Country Gentleman 1871

Scots at School Northcroft David Northcroft 2019-08-06 What is the defining Scottish experience? The Kirk, Scots Law, Hampden Park? There are several contenders, but school is the universal and enduring one. Stories and myths have clustered around its chief features: *Pupils as lads o' pairs. *Teachers as dominies. *The democratic intellect. *The village skweel. *Hard work, getting on and the power of the tawse. *Academic excellence and 'sticking in'. Telling the tale of Scotland's educational experience over the past 250 years, this book draws on the first-hand testimony of pupils, teachers and parents - with extracts taken from biography, local history, journal and oral interview, along with fascinating contemporary photographs. The anthologised material is accompanied by David Northcroft's narrative outlining the history of the distinctive Scottish school system. By drawing out key themes of identity, nationalism and 'democracy', he sets the claims that have traditionally been made for the system's excellence and independent spirit against the accounts of people's actual experiences. This history, enhanced by the personal stories of those involved, offers the reader a vivid account of the experience of Scottish schooling. Key Features: *Strong 'nostalgia' market for books of this kind. *Draws on broad range of personal

testimony.*Includes extracts from Tom Devine, John Galt, Hugh Miller, Magnus Magnusson, Neil Munro, Alan Spence and T. C. Smout.*Each section is prefaced with an editorial introduction - taken together, they trace the Scottish educational experience over the past 250 years.

De zwemmers Julie Otsuka 2022-03-07 Een groep zwemmers wordt opgeschrikt door een barst in de bodem van hun lokale zwembad. Deze zwemmers zijn onbekenden voor elkaar; ze delen alleen een zwembaan (de snelle, langzame of gemiddelde) en de troost die ze ieder uit hun ochtend- of middagbaantjes halen. Een van deze zwemmers is Alice, die langzaam haar geheugen verliest. Voor Alice was het zwembad een laatste redmiddel tegen de duisternis van haar steeds erger wordende dementie. Zonder het gezelschap van haar medezwemmers en de regelmaat van haar dagelijkse baantjes, wordt ze ondergedompeld in verwarring en chaos, en meegesleurd in herinneringen uit haar kindertijd en het Japans-Amerikaanse interneringskamp waarin zij de oorlog doorbracht. Alice' vervreemde dochter, die te laat in het leven van haar moeder terugkeert, is getuige van haar verwoestende aftakeling. De zwemmers is een schrijnend, intiem verhaal over moeders en dochters, en het verdriet van een rauw verlies. Een tour de force van

een dwingende, betoverende en ontroerende stem.

Schepen vergaan James Patterson 2021-06-10 Rechercheur Alex Cross wordt achtervolgd door zijn verleden... Zijn oude aartsvijand, een gevaarlijke crimineel met gruwelijke daden op zijn geweten, heeft het nog steeds op Alex gemunt. Maar ondanks alle levensgevaarlijke bedreigingen, stort Alex zich op een nieuwe moordzaak, die zelfs hem de stuipen op het lijf jaagt. Een koelbloedige seriemoordenaar laat al zijn slachtoffers achter met bijtewonden en zijn volledig leeggebloed. Is dit het werk van een maniak die denkt dat hij een vampier is? Cross moet snel de dader vinden, want er blijven door heel Amerika nieuwe slachtoffers vallen... 'Schepen vergaan' is het zevende deel in de 'Alex Cross'-reeks waarin de meester der thrillers, James Patterson, je bij de eerste pagina weet mee te slepen! De Amerikaanse James Patterson (1947) is een van de succesvolste auteurs op dit moment met meer dan 300 miljoen verkochte exemplaren en 1 miljoen verkochte e-books wereldwijd. Maar liefst 114 boeken kwamen op de New York Times bestseller lijst, waarvan 67 op nummer 1 stonden. Dat is een Guinness World Record! Geen enkele Patterson thriller laat zijn lezers onberoerd, maar zijn bekendste werken zijn de thriller reeksen over 'Alex Cross',

verfilmd met Morgan Freeman in de hoofdrol, en de 'Women's Murder Club'-reeks, dat verfilmd is tot serie en in 2007 te zien was op de Nederlandse televisie. In 2015 won Patterson de Literatuur Award van de National Book Foundation voor zijn inzet om meer Amerikanen aan het lezen te krijgen. Voor zijn thrillers, maar ook enkele romans en kinderboeken, heeft hij meerdere prestigieuze onderscheidingen ontvangen, waaronder de Edgar Award.

The Perfect Neighborhood Liz Alterman 2022-07-12 Liz Alterman's engrossing novel is a thought-provoking read about the dark side of suburbia and the secrets of close-knit communities, perfect for fans of Joshilyn Jackson. When actress and model Allison Langley leaves her former rockstar husband, Christopher, in the middle of the night, it's all her Oak Hill neighbors can talk about. The gossip comes to an abrupt halt when five-year-old Billy Barnes goes missing on his walk home from kindergarten. Billy's mother, Rachel, blames herself for being at work and letting her only child walk alone. Cassidy, Billy's teenage babysitter, was also late to arrive on the afternoon he disappeared and blames herself for his disappearance. As the clock ticks down, police are unable to find any trace of Billy, forcing Rachel to ponder the enemies she's made in their well-off suburb. Could it be one of her neighbors who stole her son? Would they abduct Billy to hurt her? How easy would it be to take a child while the parents or nannies are distracted?

When another child goes missing, the town is put under a microscope as the police try to get to the bottom of the disappearances. Will they be able to find the two children, or will it be too late? What secrets lie at the heart of this tragedy, and how far will one go to keep those dangerous secrets buried?

Hopeless But Not Serious Jack McLean 1996 This autobiography of Jack McLean chronicles the business of growing up in Glasgow in the immediate post-war years, the rock'n'roll era of the Fifties, his time in London at the height of flower power, the days of student revolution in the course of which he was sometimes confidant to the then Labour Front Bench, and not a few government people as well. He courses through politics, education, literary days, sex and drugs and playing the blues.

De verloren held Rick Riordan 2012-09-03 Jason heeft een probleem. Hij kan zich niets meer herinneren van voordat hij wakker werd in een schoolbus. Hand in hand met een meisje dat zijn vriendinnetje Piper blijkt te zijn. Hij schijnt op een kostschool te zitten voor 'slechte kinderen' en heeft een beste vriend genaamd Leo. Hoe hij hier terecht is gekomen? Geen idee, maar iets is goed mis aan dit plaatje. Piper heeft een geheim. Haar vader wordt al drie dagen vermist en sinds die tijd heeft ze levendige nachtmerries die haar lijken te waarschuwen voor een groot gevaar. Op de een of andere manier kan haar vriendje zich haar niet meer

herinneren en de schoolexcursie wordt verstoord door een aanval van vreemde wezens. Piper wordt samen met Jason en Leo meegenomen naar Kamp Halfbloed. En wat er daar aan de hand is...
