Royal Wedding Meg Cabot 2015-06-02 From the #1 New York Times bestselling author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into

a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she's not only ready to wed, but ready to rule as well?

Olivia Grace Clarisse Mignonette Harrison still finds it hard to believe that she's a real live PRINCESS OF GENOVIA. Of course, things aren't going exactly like she imagined. Her half-sister Mia is very busy learning how to take over the country while trying to plan a wedding and her father is actually getting remarried himself-to Mia's mother!-and spends most of his time "renovating" the summer palace, although Grandmere says he is just hiding from the wedding preparations. Olivia hardly gets to see either of them. Fortunately, Grandmere has her own plans for Mia's wedding, and needs Olivia's help to pull them off. Just when Olivia starts to think that things are going to work out after all,

the palace is invaded by a host of new cousins and other royals who all seem to be angry at Olivia (although Grandmere says they are just jealous). Can Olivia keep this royal wedding from becoming a royal disaster?

Once Upon a Time J. Randy Taraborrelli 2003-04-01

From master storyteller J. Randy Taraborrelli comes the powerful and moving story of one of royalty's most secretive families. Grace Kelly was swept away when the handsome Prince Rainier, a man she barely knew, asked for her hand in marriage. After a series of relationships with married co-stars, she was exhausted by the show-business lifestyle. If she married Rainier,

she would be more than just a movie star, she would be Her Serene RoyalHighness Princess Grace. Once in the palace, however, Grace found herself trapped in a fairy tale of her own making. Forced to make sacrifices that cut deeply into the core of who she was as a woman, she would then surrender her desires and ambitions for her spouse and her children. Grace and Rainier may have been royalty, but they were also husband and wife, and parents- and, as such, just as vulnerable to the conflicts that can contaminate any household. Drawing upon hundreds of exclusive interviews with family and friends, ONCE UPON A TIME portrays its subjects with passion and sympathy, revealing Grace, Rainier, Caroline, Albert, and Stephanie in ways both startling and compelling.

The NIV Matthew Henry Commentary in One Volume Matthew Henry 1992 Time has sealed the reputation of

Matthew Henry's classic commentary as a rich source of insight into God's word. Four centuries after its first publication, it remains one of the best-loved, most popular commentaries ever written. However, while its wisdom is timeless, the English language has changed much through the years. Words that meant one thing in Matthew Henry's day have taken on different meanings today. In addition, Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers. The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns. It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand. -Dr. Leslie Church's meticulous abridgment retains the essential content of the original work. - Easily misunderstood words have been replaced with modern ones while keeping Henry's style. - Use of the New International Version (NIV) instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation. In one volume, here is a wealth of exposition, metaphors, analogies, and illustrations, ideal for - Personal devotions - Bible study - Sermon and lesson preparation

Marriage, Law and Modernity Julia Moses 2017-11-16

Marriage, Law and Modernity offers a global perspective on the modern history of marriage.

Widespread recent debate has focused on the changing nature of families, characterized by both the rise of unmarried cohabitation and the legalization of same-sex marriage. However, historical understanding of these developments remains limited. How has marriage come to be the target of national legislation? Are recent policies on same-sex marriage part of a broader transformation? And, has marriage come to be similar across the globe despite claims about national, cultural and religious difference? This collection brings together scholars from across the world in order to offer a global perspective on the history of marriage. It unites legal, political and social history, and seeks to draw out commonalities and differences by exploring connections through empire, international law and international migration.

Hij verloor haar, maar de kapel bleef, als een monument van ware liefde, een plaats voor al hun herinneringen. Nu

heeft hij een bod gekregen van een makelaar voor het land waar de kapel op staat. Waarom zou hij nog langer blijven hangen in het verleden? Fotografe Taylor Branson vertrekt naar New York om naam te maken en te ontsnappen aan het bizarre aantal mislukte huwelijken in haar familiegeschiedenis. Halsoverkop verliefd worden past niet in haar plan, maar ze kan niet om de succesvolle Jack Forester heen. Ze gaan helemaal in elkaar op, de vonken spatten ervan af. Maar ze slepen allebei een hoop bagage mee. Dat weerhoudt hen ervan zich helemaal aan elkaar te geven. Als Taylor een opdracht aanneemt in haar geboortedorp komt ze op het spoor van een groot familiegeheim. Rachel Hauck schrijft romans omdat ze daarin kan schrijven over de dingen die er echt toe doen in het leven. Haar debuut 'De bruidsjurk' werd lovend ontvangen door lezers en pers.

Loveworks Brian Sheehan 2013-05-28 In 2004 Kevin

Roberts wrote *Lovemarks: the future beyond brands*. It was admired by many as a breakthrough in marketing thinking but was also controversial because of its surprisingly obvious thesis: that emotional connections are at the heart of sustained relationships between producers, retailers, and consumers. While many companies were using the language of war in their marketing (target, penetrate, ambush), Roberts was using the language of love (mystery, sensuality, intimacy). He explained in simple terms what people are often loath to admit: we make decisions with our emotions over our reason. *Lovemarks* described the journey by which brands could move from consumer respect based on intellect, to consumer love based on emotion—and in return gain "loyalty beyond reason." In 2010 *Advertising Age* magazine named *Lovemarks* one of their "ideas of the decade," while noting that the roadmap for brands to achieve Lovemark status was still not entirely clear. *Lovemarks: How the world's top marketers make emotional connections to win in the marketplace* adds to the original *Lovemarks* by showcasing real-world business examples and outlining the roadmaps followed by several world-renowned brands to achieve Lovemark status: Procter & Gamble, Toyota, Visa, General Mills, Miller, T-Mobile, and Lenovo are just a few examples of businesses winning in the marketplace through the application of the *Lovemarks* theory, maintaining laser-like focus on making and sustaining emotional

connections with consumers. Loveworks features 20 case stories from clients and markets worldwide in widely varying categories. "My book shows that Lovemarks thinking works—anywhere, anytime. All it takes is having the brains to implement it, the guts to see it through, and an abiding faith in emotion as your compass," says Brian Sheehan.
