Its for that reason unquestionably easy and for that reason fats, isnt it? You have to favor to in this melody

Thoughts of a New Old Mum Karen Louise Hollis 2013-04 Karen Louise Hollis became a mum in 1990 aged 20 & had 3 more babies by 1996. She enjoyed being a young mum & having kids close in age. However in 2010 aged 41, Karen began a new relationship & they decided to have a baby. How hard would it be for her to conceive in her 40s? Would pregnancy & birth be different in the 2010s, some 20 years since her eldest was born? Thoughts of a New Old Mum follows Karen's journey from trying to get pregnant through the pregnancy & birth of their son & his 1st year. How had things changed since her experiences in the 1990s? Would she find it hard being an older mum? How would her other children react to their much younger sibling? This book covers a huge change in Karen's life. As she enters 2013, another happy event is just around the corner... The book is written in a friendly, chatty style which anyone who has a child will relate to. This is an open & honest account of the joys & love, worries & stresses, the explosive nappies & sleep-deprived nights of motherhood.

Nowhere's Child Kari Rosvall 2015-04-02 'This is a beautifully written story. Of healing and love - and pain. Reading this book is like sitting in front of Kari, listening to her opening her

heart to you' Irish Times Kari Rosvall's early life was shrouded in mystery until, at age 64, she received a letter through the post. In it was a photograph of herself as a young baby - the only one she had ever seen. This was the first step towards her discovery of the dark secret of her conception. Kari soon learned that she was a Lebensborn child, part of Hitler's 'Spring of Life' programme, which encouraged Nazi soldiers to have children with Scandinavian women in order to create an Aryan race. And so began a journey back to her roots: to Norway, where she was taken from her mother and sent to Germany in a crate to join the other Lebensborn children, and to post-war Germany and her eventual rescue by the Red Cross from an attic. *Nowhere's Child* is a remarkable story of reconciliation and of forging new beginnings from a dark past. Ultimately, for this woman who set up a new life in Ireland, it is the life-affirming account of what it really means to find a place called home.

*Birthing a Better Way* Kalena Cook 2010 A must-read for women who want to know all of their choices in childbirth. --

Guarded Kirsten Lasinski 2005-04-01 Forty-one year-old Emily Blyton should be content; she has a job she loves, a beautiful home, and countless friends in the quaint mountain community of Murray, Colorado. On the other hand, she also has an estranged daughter who lives in New York, an ex-husband she hasn't spoken to in years, and a past full of painful memories she can't erase. When Emily discovers that she was adopted, her carefully arranged world comes apart.

*Sexuality and Gender in Society* Janell L. Carroll 1996 An undergraduate text incorporating the 1994 NORC study on American sexuality and updates on contraceptive research and

infertility techniques. Chapters on subjects including gender roles, biology, STDs and AIDS, and power and coercion contain learning aids such as Q&A sections throughout; boxed fea

Secrets of the Flesh Judith Thurman 2011-03-30 A scandalously talented stage performer, a practiced seductress of both men and women, and the flamboyant author of some of the greatest works of twentieth-century literature, Colette was our first true superstar. Now, in Judith Thurman's *Secrets of the Flesh*, Colette at last has a biography worthy of her dazzling reputation. Having spent her childhood in the shadow of an overpowering mother, Colette escaped at age twenty into a turbulent marriage with the sexy, unscrupulous Willy--a literary charlatan who took credit for her bestselling Claudine novels. Weary of Willy's sexual domination, Colette pursued an extremely public lesbian love affair with a niece of Napoleon's. At forty, she gave birth to a daughter who bored her, at forty-seven she seduced her teenage stepson, and in her seventies she flirted with the Nazi occupiers of Paris, even though her beloved third husband, a Jew, had been arrested by the Gestapo. And all the while, this incomparable woman poured forth a torrent of masterpieces, including *Gigi*, *Sido*, *Cheri*, and *Break of Day*. Judith Thurman, author of the National Book Award-winning biography of Isak Dinesen, portrays Colette as a thoroughly modern woman: frank in her desires, fierce in her passions, forever reinventing herself. Rich with delicious gossip and intimate revelations, shimmering with grace and intelligence, *Secrets of the Flesh* is one of the great biographies of our time. NOTE: This edition does not include a photo insert.

Xavier Kathi S. Barton 2019-12-22 Cindi Janis was worried. The murders had been all over the newspapers. Young, redheaded women were found murdered, too many to be just a

coincidence. Cindi hadn't heard from her Aunt Caroline in quite some time, and she fit the description of one of the victims. So did she, for that matter. A short trip to Ohio and Cindi could claim the body if it was indeed her aunt and get on with her life. But what she found when she got to Ohio wasn't on her agenda. Xavier Manning wanted to help; someone needed to go to the airport to pick up Miss Janis to get this nasty business of identifying the body out of the way. He hadn't expected that the beautiful redhead getting off the plane was going to be his mate. The killings were getting closer to home. Now that Xavier had his mate and she fit the killer's profile, the pressure to solve these murders was ramped up. Would Cindi be next?

Sex In The Western World Jean-Louis Flandrin 2020-01-01 First Published in 1991. In this book the author looks at the history of sexuality, discussing topics of love from the 15th century onwards, sexual morality and marriage, ancient and modern adages concerning procreation as a part of society and the sex lives of single people.

The Initiatory Path in Fairy Tales Bernard Roger 2015-06-15 Hidden within age-old classic stories lie the hermetic teachings of alchemy and Freemasonry • Explains how the stages of the Great Work are encoded in both little known and popular stories such as Cinderella, Snow White, and Little Red Riding Hood • Reveals the connection between Mother Goose and important esoteric symbols of the Western Mystery tradition • Demonstrates the ancient lineage of these stories and how they originated as the trigger to push humanity toward higher levels of consciousness In his *Mystery of the Cathedrals*, the great alchemist Fulcanelli revealed the teachings of the hermetic art encoded in the sculpture and stained

glass of the great cathedrals of Europe. What he did for churches, his disciple Bernard Roger does here for fairy tales. Through exhaustive analysis of the stories collected by the Brothers Grimm, Perrault, and others, Roger demonstrates how hermetic ideas, especially those embodied in alchemy and Freemasonry, can be found in fairy tales, including such popular stories as Cinderella, Snow White, Sleeping Beauty, and Little Red Riding Hood as well as the tales attributed to “Mother Goose.” The goose has long been an important esoteric symbol in the Western Mystery tradition. The stories told under the aegis of Mother Goose carry these symbols and secrets, concealed in what hermetic adepts have long called “the language of the birds.” Drawing upon the original versions of fairy tales, not the sanitized accounts made into children’s movies, the author reveals how the tales illustrate each stage of the Great Work and the alchemical iterations required to achieve them. He shows how the common motif of a hero or heroine sent in search of a rare object by a sovereign before their wishes can be granted is analogous to the Masonic quest for the lost tomb of Hiram or the alchemist’s search for the fire needed to perform the Great Work. He also reveals how the hero is always aided by a green bird, which embodies the hermetic understanding of the seed and the fruit. By unveiling the secret teachings within fairy tales, Roger demonstrates the truly ancient lineage of these initiatory stories and how they originated as the trigger to push humanity toward higher levels of consciousness.

Xenakis's Convenient Bride Dani Collins 2017-06-01 The challenge: two weeks without your billionaire fortune! Greek magnate Stavros Xenakis must go undercover to win a bet—and escape his grandfather's demands that he take a bride. Until encountering deliciously

tempting housekeeper Calli proves that a wife is exactly what he needs! Calli's baby being taken away robbed her of the ability to trust anyone. Now Stavros's offer to marry her gives her the chance to finally find her son. But Calli doesn't expect their honeymoon to be so sinfully sensual—and for life as the temporary Mrs. Xenakis to be so exquisitely satisfying... Under a Veil of Gods R. Anthony Giamusso 2018-03-08 One common man, one quest, one world to save... When a dying angel entrusts Montague La-Rose, a mere farmer, to protect the royal Volpi family from an alien threat, a series of apocalyptic events begins. After a mysterious flood cripples the capital of Men, the civilized world of Naan is plagued with dark magic. Montague, armed with nothing more than herbs, spices, and his sword, faces deadly spells incomparable to the medieval weaponry of his time. But his skills in translating sacred text grant him the ability to glean a pattern to the ancient enemy's plan. As Montague struggles to uncover the secrets of witchcraft, he discovers his true relation to the royal family and confronts the fact that his only chance to liberate the planet may cost him his life in a war of monsters and men.

Achter gesloten deuren B.A. Paris 2016-10-11 Achter gesloten deuren van BA Paris houdt je van begin tot eind geboeid. Andere thrillers van deze auteur zijn Gebroken en Breng me terug. Achter gesloten deuren van B.A. Paris lees je in één ruk uit! In Engeland zijn er meer dan 500.000 exemplaren van verkocht. Achter gesloten deuren is de spannende thriller die iedereen leest! Iedereen kent wel een echtpaar als Jack en Grace: hij is knap en rijk, zij is charmant en elegant. Mensen om jaloers op te zijn, als je ze niet aardig zou vinden. Je zou Grace beter willen leren kennen. Maar dat is moeilijk, want Grace en Jack zijn altijd samen.

Sommigen zouden dit ware liefde noemen. Anderen zouden zich misschien afvragen waarom Grace nooit de telefoon opneemt. En waarom ze nooit op visite komt, ook al werkt ze niet. En waarom een slaapkamer van hun huis tralies voor het raam heeft. Achter gesloten deuren houdt je van begin tot eind geboeid. Deze thriller heeft al honderdduizenden fans in Groot-Brittannië! 'Een van de topthrillers van 2016!'

Silver Dreams Kusum Chopra 2016-12-15 Even as it traverses great distances from the Himalayas to Delhi, Mumbai, Thailand, Canada and finally the West Indies, Silver Dreams silently but surely closes in on the distance between the hearts of the aging lovers Kinnary and Rana. The lively exchanges between them as Rana woos Kinnary at a retirement home bring dollops of humor and nostalgia, pathos and experience to the fore. However, with the longevity of modern marriage declining rapidly, how much chance does this second innings, that comes with its own baggage of two extended families, marital disasters and past feelings of failure, stand? With the pace of a thriller and the mellow mood of 2nd innings romance, look out for Rana and Kinnary's definitions of love, life and romance as they draw on memory banks, set out on a global adventure and even have a brush with voodoo in this unique tale of resurrecting relationships against the odds of Hamare Tumhare.

The Afterlife of Images Larissa N. Heinrich 2008-02-20 No further information has been provided for this title.

The Accidental Family Rowan Coleman 2014-08-28 Perfect for fans of Jojo Moyes, Marian Keyes and Sophie Kinsella, this is a funny, warm-hearted novel from the author of The Memory Book, which was featured in the Richard & Judy book club 2014 'I immediately read

The Memory Book and it's WONDERFUL ... I'm so happy because she's written other books and its so lovely to find a writer you love who has a backlist' Marian Keyes Six months ago, city girl Sophie Mills gave up everything to move to Cornwall. All to be with the man she thinks she loves, and his two daughters who she knows she loves. But adjusting to life as a semi-permanent mother in the countryside isn't quite as easy as Sophie imagined it would be. Designer shoes aren't nearly so readily available - not that she ever has any occasion to wear them - and her best pair of vintage Manolo's have already found their way into the girls' dressing-up box. Sometimes Sophie doesn't recognise herself; which most of the time makes her happy but every now and then scares her to death. The hardest thing of all is making that final commitment to actually move in with Louis and the girls - she's been the longest paying guest of the Avalon B&B, St Ives in the history of the establishment. And as she tries to adapt to country life, her newly adopted family and discovering more about Louis's past, she begins to wonder if she's got what it takes to make it all work...

John Winthrop Francis J. Bremer 2005 The first full-length biography of the first governor of the Massechusetts Bay Colony delves deeply into the life of this seminal figure in the formation of American society and culture.

Verdwijnende aarde Julia Phillips 2020-09-03 \*\*\*\* 'Imponerend romandebuut.' de Volkskrant Op een middag in augustus, aan de kust van Kamtsjatka, verdwijnen twee zusjes. In de daaropvolgende maanden lukt het de politie niet de zaak op te lossen. Echo's van de verdwijning weerklinken in een hechte gemeenschap, de angst en het verdriet zijn vooral voelbaar onder de vrouwen. Gedurende een jaar volgen we met verbazingwekkende

scherpte de levens van hen die zijn verbonden door de misdaad: een getuige, een buurvrouw, een detective, een moeder. Op de achtergrond de ruige schoonheid van het gebied: dichtbeboste wouden, uitgestrekte toendra's, stomende vulkanen en ijzige zeeën die grenzen aan Japan en Alaska. Een gebied even complex als verleidelijk, waar sociale en etnische spanningen sudderen en waar buitenstaanders vaak als eerste worden beschuldigd. In de pers 'Schrijven kan Phillips: ieder hoofdstuk brengt een ander perspectief op de vermissing, spannend tot het einde.' Trouw 'Een bijzonder briljante roman.' De Morgen 'Verdwijnende aarde is een parelketting van aaneengeregen verhalen.' De Groene Amsterdammer 'Een heel origineel en bijzonder en goed geschreven, indrukwekkend boek.' JAN 'Een dijk van een boek, spannend van de eerste tot de laatste bladzijde.' De Limburger 'Imponerend debuut.' VPRO Gids

Parents 2005

Wat ik nooit eerder heb gezegd Celeste Ng 2018-10-13 'Een powerhouse van een debuut. Ng's verhaal grijpt je vanaf de eerste pagina bij de keel, met de hoop om het mysterie van Lydia's dood te ontrafelen. Mensen, dit boek heeft alles in huis. Alles.' – The Huffinton Post Juni, 1977. In het universiteitsstadje Middlewood ontdekt de familie Lee dat hun dochter verdwenen is. Een paar dagen later wordt het lichaam van de zestienjarige Lydia uit het meer gevist. Verteerd door schuldgevoelens slaat haar vader een roekeloze weg in die hem zijn huwelijk kan kosten. Haar moeder Marilyn is gebroken, maar vastbesloten om een dader te vinden – tegen elke prijs. Lydia's broer is er zeker van dat hun getroebleerde buurjongen Jack iets te maken heeft met het drama. Maar het is de jongste in de familie, Hannah, die

meer ziet dan iemand zich realiseert en die wel eens de enige zou kunnen zijn die weet wat er echt gebeurd is. Wat ik nooit eerder heb gezegd is zowel een pageturner als een ontroerend portret van een gezin. Een aangrijpend verhaal over familie, geschiedenis en de betekenis van het woord thuis.

Liefde kent veertig regels Elif Shafak 2013-02-26 Ella Rubenstein is veertig jaar oud en niet gelukkig getrouwd, als ze een baan als proeflezer aanneemt voor een literair agentschap. Opeens staat haar leven op z'n kop. Haar eerste opdracht is het lezen van een manuscript over de oude, beroemde en mystieke soefi Rumi, gepassioneerd dichter en advocaat van de liefde. Langzaam realiseert ze zich dat dit dertiende-eeuwse levensverhaal haar eigen verhaal weerspiegelt. Ze stelt zich open voor nieuwe mogelijkheden en omarmt zo de tijdloze boodschap van deze spirituele dichter.

Delivering Secrets Fiona McArthur 2018-02-01 A chance at love — again? Single mom and midwife Ellie Diamond has returned to Bell's River. Convincing herself it's the opportunity to raise her young son in the idyllic coastal town that's lured her back — not the chance to work with the man she once promised her heart to... Obstetrician Luke Farrell isn't the same man he once was, but his attraction to Ellie is as fiercely irresistible as ever! Only secrets from the past lie between them, will bringing them out into the open endanger their fragile relationship again, or finally allow them to build a future together? Originally published in 2003. New to ebook!

Where Does It Hurt? Jonathan Bush 2014-05-15 A bold new remedy for the sprawling and wasteful health care industry. Where else but the doctor's office do you have to fill out a form

on a clipboard? Have you noticed that hospital bills are almost unintelligible, except for the absurdly high dollar amount? Why is it that technology in other industries drives prices down, but in health care it's the reverse? And why, in health care, is the customer so often treated as a mere bystander—and an ignorant one at that? The same American medical establishment that saves lives and performs wondrous miracles is also a \$2.7 trillion industry in deep dysfunction. And now, with the Affordable Care Act (Obamacare), it is called on to extend full benefits to tens of millions of newly insured. You might think that this would leave us with a bleak choice— either to devote more of our national budget to health care or to make do with less of it. But there's another path. In this provocative book, Jonathan Bush, cofounder and CEO of athenahealth, calls for a revolution in health care to give customers more choices, freedom, power, and information, and at far lower prices. With humor and a tell-it-like-it-is style, he picks up insights and ideas from his days as an ambulance driver in New Orleans, an army medic, and an entrepreneur launching a birthing start-up in San Diego. In struggling to save that dying business, Bush's team created a software program that eventually became athenahealth, a cloud-based services company that handles electronic medical records, billing, and patient communications for more than fifty thousand medical providers nationwide. Bush calls for disruption of the status quo through new business models, new payment models, and new technologies that give patients more control of their care and enhance the physicianpatient experience. He shows how this is already happening. From birthing centers in Florida to urgent care centers in West Virginia, upstarts are disrupting health care by focusing on efficiency, innovation, and customer

service. Bush offers a vision and plan for change while bringing a breakthrough perspective to the debates surrounding Obamacare. You'll learn how:

- Well-intended government regulations prop up overpriced incumbents and slow the pace of innovation.
- Focused, profit-driven disrupters are chipping away at the dominance of hospitals by offering routine procedures at lower cost.
- Scrappy digital start-ups are equipping providers and patients with new apps and technologies to access medical data and take control of care.
- Making informed choices about the care we receive and pay for will enable a more humane and satisfying health care system to emerge.

Bush's plan calls for Americans not only to demand more from providers but also to accept more responsibility for our health, to weigh risks and make hard choices—in short, to take back control of an industry that is central to our lives and our economy.

*Our Lives are But Stories* Esther Schely-Newman 2002 A rich analysis of how four Tunisian-Israeli women tell the stories of their lives, and a look at the implications for our own understanding of stories and the behavior of communication.

*The Goodbye Baby* Elaine Pinkerton 2012-07-09 Adopted at age five, author Elaine Pinkerton hid the fact that her original parents didn't want her. At age ten, she found comfort in keeping a diary and escaped into the world of books. Now, years later, Pinkerton revisits four decades of diaries and offers a look at her life and what it meant to her to be adopted. Based on those forty diaries, she shares her story in *The Goodbye Baby*. With diary excerpts included, as well as narrative, Pinkerton tells about her journey through the thorny issues of adoption, a search for healing, and an inspiring finale. Praise for *The Goodbye Baby* The

Goodbye Baby is a touching story that will inspire readers, whether or not adoption played a part in their lives. Elaine Pinkerton demonstrates how we can come to understand our inherent worth, regardless of early circumstances. Jann Arrington Wolcott, Author, Brujo So many of us appear fine on the outside. Yet internally we are struggling with a negative belief we developed in childhood, a self-invalidating perception that colored the experiences that followed. The Goodbye Baby reveals a wonderful accomplishment: the full-grown woman who has come to see that she is gem! Martha Davis, Licensed Psychotherapist, Santa Fe, New Mexico In The Goodbye Baby, Elaine Pinkerton reveals the bruises of adoption that impacted her from the tender age of five. Through excerpts from personal journals she kept for forty years, we experience her frustrations and successes as she strives to be good enough for her beloved adoptive parents and in all areas of her later life. Rosemary Zibart, Journalist and Author, Far and Away

Secrets & Seductions Pamela Toth 2004-06-24 When she discovers the truth about her heritage, Emma Wright confronts Morgan Davis, the director of The Children's Connection adoption agency, to get some answers, only to find herself drawn to this handsome man who vows to remain single forever. Original.

Secret Strategies Winny Koster 2003 This dissertation entitled 'Secret strategies. Women and abortion in Yoruba society, Nigeria' is based on an applied research project in abortion and other fertility regulation practices. The project explored sociocultural, economic and service related factors influencing the high rate of unsafe abortion and abortion death and in a participatory way gave recommendations for improvements. The dissertation pays

attention to the motivations of women to resort to practices they know are a risk to their health and life.

The Secret Life Of Secrets Michael Slepian 2022-06-09 'If you've ever wondered why we keep secrets and what motivates us to spill them, look no further' Adam Grant, #1 New York Times bestselling author of Think Again An eye-opening look at why we keep the secrets we keep, how to better understand and cope with them, and when (and how) we should bring them to light. Think of a secret that you're keeping from others. It shouldn't take long. Psychologist Michael Slepian finds that, on average, we are keeping as many as thirteen secrets at any given time. His research, involving more than 50,000 participants from around the world, shows that we most frequently keep secrets about lies we've told, ambitions, addictions, mental health challenges, hidden relationships and financial struggles. Our secrets can weigh heavily upon us. Yet the burden of secrecy rarely stems from the work it takes to keep a secret hidden. Rather, the weight of our secrets comes from carrying them alone. Whether we are motivated to protect our reputation, a relationship, a loved one's feelings, or some personal or professional goal, one thing is clear: holding back some part of our inner world is often lonely and isolating. But it doesn't have to be. Filled with fresh insight into one of the most universal - yet least understood - aspects of human behaviour, The Secret Life of Secrets sheds fascinating new light on questions like: At what age do children develop the cognitive capacity for secrecy? Do all secrets come with the same mental load? How can we reconcile our secrets with our human desires to relate, connect and be known? When should we confess and to whom? And can keeping certain types of secrets actually

enhance our well-being? Drawing on over a decade of original research, this book reveals the surprising ways in which secrets pervade our lives, and offers science-based strategies that make them easier to live with. The result is a rare window into the inner workings of our minds, our relationships and our sense of who we are.

Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board 1977

Harlequin Presents June 2017 - Box Set 2 of 2 Maisey Yates 2017-06-01 Harlequin® Presents brings you a collection of four new titles! weirdest cover versions, the most obsessive websites, the obscurest trivia. All you need is this!

Power Couples Mary Abbott 2003 From Bill and Hilary and Posh and Becks, the power couple has become a feature of modern life, an emblem of the media age. The phenomenon itself is much older, however. Take Elizabeth and Essex, Catherine the Great and Grigory Potemkin, or Antony and Cleopatra - perhaps the most famous power couple of them all. Covering two millennia and four continents, Mary Abbott joins the paparazzi. She exposes the origins of each partner in power, how they came together, what drove their relationships, who else was involved and how they ended. The cast of duos is familiar, their names for ever linked together in the popular imagination: Ferdinand and Isabella, Victoria and Albert, Edward and Mrs. Simpson, Burton and Taylor, Ted Hughes and Sylvia Plath, Nelson and Winnie Mandela, Charles and Diana.

De kracht van echte mannen David Deida 2015-12-22 In 'De kracht van echte mannen' wijst David Deida de moderne man de weg naar een daadkrachtig leven vol integriteit, authenticiteit en vrijheid. Het boek laat zien hoe een man een bevredigend leven kan leiden, door ruimte te geven aan de kern van zijn wezen: zijn mannelijkheid. Deida stelt dat de trend naar seksuele gelijkheid een belangrijke oorzaak is van het ontbreken van geluk in relaties. Het heeft namelijk niet alleen geleid tot economische en sociale gelijkheid, maar ook tot seksuele neutraliteit. Nu we de gelijkheid tussen de seksen hebben geaccepteerd, zegt Deida, is het tijd om de eigen mannelijke of vrouwelijke essentie weer in ere te herstellen. En

daarmee het vuur van de seksuele hartstocht opnieuw aan te wakkeren!

The Soldier and the Single Mom Lee Tobin McClain 2017-03-01 A Second-Chance Family When Buck Armstrong rescues Gina Patterson and her baby from a dark country road outside town, he intends to keep his distance. Gina and little Bobby remind the handsome veteran too much of all he's lost. The vulnerable single mom seems equally wary of getting involved. But things change once Gina and her son settle into his sister's boardinghouse. Being with Gina and Bobby makes Buck question his plans to leave town for a fresh start. Suddenly he has dreams of forging a new family, even though it will mean risking his heart. But can he escape his past for a chance at a happy future?

Written in Blood Diane Fanning 2005-02-01 An army brat-turned-marine, he saw combat in Vietnam, and returned a decorated soldier. An avid reader, his dreams of being an acclaimed novelist came true. His desire to find love was fulfilled when he married brilliant executive Kathleen Atwater, the first female student accepted at Duke University's School of Engineering. The Petersons seemed the ideal academic couple- well-respected, prosperous, and happy. All that came crashing down in December of 2001, when Kathleen apparently fell to her death in their secluded home in an exclusive area of Durham, North Carolina. But blood spattered evidence and a missing fireplace poker suggested calculated, cold-blooded murder. Her trusted husband stood accused. Prosecutors introduced evidence at trial that sixteen years earlier, Peterson was one of the last people to see his neighbor alive before she was found dead at the bottom of a staircase in her home in Germany. A dramatic trial followed in the explosive final chapter of a life that no novelist could ever have conceived...

Written in Blood is a 2006 Edgar Award Nominee for Best Fact Crime.

The Birthright of Mary Magdalene Joan Riise 2015-09-01 Who was Mary Magdalene? Before she was the target of the early church fathers, she was a child full of innocence, curiosity, grace, and hope. The Mary you will meet within the pages of Birthright is just seven years old. Seven: the magical age when children begin to unfold, eager to find their place in the world. It is the age at which reason begins to blossom and the flame of understanding is ignited. Drawing from the mystical spark of inspiration that comes from nowhere and everywhere, this story moves back in time through seven generations of women, Mary's foremothers—back into the age when God was a woman. Gifted with herstory, Mary fearlessly accepts her birthright of creativity, freedom, integrity, and unconditional love. The stories are told by her grandmother, Sakinah, around the evenings' campfires. Both Sakinah and Mary's mother, Hannah, are midwives assisting Mary of Nazareth as she nears the birth of Jesus on the journey to Bethlehem. Following her family's tradition, this is Mary's first opportunity to serve as apprentice at a birth. So close your eyes and unlock the gates of your own imagination to travel through an historic time of ancient prophecy and future promise. This is a not a Mary you've known before but one who, like the babe she holds in the first moments of his life, has come to share a searing mission of divine dimension. "The Birthright of Mary Magdalene is a meaningful gift for the tween, teen, or anyone drawn to a spirituality that includes the nourishing balance of the divine feminine. Share this story and your own with the next generation – our culture is created from its stories." —Julie Cuccia-Watts, creator of Ancestral Path Tarot, Blue Moon Tarot, MAAT Tarot, and Journey into

Egypt Tarot “From start to finish I was captivated by the spirited seven year old Mary. Her journey through seven generations of ancient mother healing wisdom leads her to a future of penetrating accord with her twin flame; a future that will demand her willing sacrifice to preserve the sacred truth at all costs.” —Dawn Silver, author of Jewels of the Lotus Gemstone Oracle

De argonauten Maggie Nelson 2016-10-26 In deze genderbending memoires komt cultuurcritica Maggie Nelson met frisse, krachtige en hoognodige bespiegelingen over seksualiteit, verlangen, ‘het gezin’ en over de beperkingen en mogelijkheden van zowel de liefde als de taal. In De Argonauten staat een liefdesgeschiedenis centraal: de relatie van de auteur met de kunstenaar Harry Dodge. Nelson laat ons meevoelen hoe het is om haar hart te verliezen aan Dodge, die genderfluïde is. Ze neemt ons mee op de lange weg van haar zwangerschap en toont ons de ingewikkelde en de mooie kanten van een onconventioneel gezin. Nelson houdt een pleidooi voor fundamentele individuele vrijheid en voor een erkenning van de waarde van liefde en zorg – je zou het de strijdkreet kunnen noemen van dit oorspronkelijke, scherpzinnige boek dat geen onderwerp schuwt en geen concessies doet.

American Film Cycles Larry Langman 1998 Examines more than 1,000 silent films in light of contemporary social, political, and national trends during the silent years.

George Caleb Bingham Paul C. Nagel 2005 "Paul Nagel's biography of nineteenth-century American painter and statesman George Caleb Bingham assesses Bingham's artistic achievements and his service as a political leader in Missouri during Reconstruction.

How to Be a Dad Oscar Duke 2019-06-13 'All hail the Guru of Fatherhood' - Dermot O'Leary - The first doctor-written guide to becoming a dad - Combines the medical knowledge of a healthcare professional with real-life experience - Step-by-step - from conception to caring for your newborn baby - Honest, humorous and engaging, this book answers the questions you've been too afraid to ask At this crucial life-moment, knowledge is power, but you probably know less than you think: What's a cervix? Can we still have sex? Why's the midwife doing that? How do I make up a bottle and is that poo normal? Dad's role is more important than you might ever have imagined, so what can you do to help? 'I hope that as a doctor and a new dad, I will go some way towards answering those "man questions" that never quite make it to the pub, locker-room, water cooler or any other locations where men might find themselves having meaningful chats with another guy. Think of this as a papery man hug in what is a potentially treacherous world of terminology, hormones, social change, sleep deprivation and finally dirty nappies with tiny feet attached.'
