The Nine Days of Dunkirk Arthur Durham Divine 1959

The King's Harem Megan Derr The country of Tavamara is renowned for its famous Market, its decadent wines, the harsh climate in which it manages to flourish. It is also well known for the harems kept by the royal family. King Shahjahan's harem is especially infamous, for his concubines are comprised of an unusual, many say dangerous, assortment... This volume also contains three additional stories. The Jewel of Tavamara Fahima has always been the lesser sister: younger, plainer, too smart and independent. Then her sister commits the ultimate taboo, putting their lives in danger. In order to save her family, Fahima must take her place, though she is painfully aware Shahjahan will never see her as more than a paltry substitute... Knight to Rook Displaced by war, Rook makes a home in the Desert where his cousin Cordelia has become Princess. A famous, highly-regarded strategist back home, in the Desert he is regarded as useless and held in contempt for his inability to fight. Adrift and alone, he can only watch and wait for a chance to prove he belongs amongst the Sons of the Sands. Everything You Need Though he left the Desert years ago and is set to become the next Advisor to the King of Tavamara, Ikram spends most of his days feeling out of place, living a life of civility and calm that is nothing like the Desert he left behind. Eager to get away from the palace for a time, he braves the famous Market...

Slow Birds: And Other Stories Ian Watson 2011-09-29 Where do the metal death gliders come from? To the glass-sailors of the five villages the slow birds that inched over the Earth at shoulder height, appearing and vanishing, were a mystery - until young Daniel climbed aboard one of the scarred Missiles and vowed to find out where it went Ian Watson's third short story collection is his best yet: a brilliant array of original and imaginative inventions that plunge the reader into strangely familiar new worlds.

Cosmopolitan Dreams Jennifer Dubrow 2018-10-31 In late nineteenth-century South Asia, the arrival of print fostered a dynamic and interactive literary culture. There, within the pages of Urdu-language periodicals and newspapers, readers found a public sphere that not only catered to their interests but encouraged their reactions to featured content. Cosmopolitan Dreams brings this culture to light, showing how literature became a site in which modern daily life could be portrayed and satirized, the protocols of modernity challenged, and new futures imagined. Drawing on never-before-translated Urdu fiction and prose and focusing on the novel and satire, Jennifer Dubrow shows that modern Urdu literature was defined by its practice of self-critique and parody. Urdu writers resisted the cultural models offered by colonialism, creating instead a global community of imagination in which literary models could freely circulate and be readapted, mixed, and drawn upon to develop alternative lines of thinking. Highlighting the participation of readers and writers from diverse social and religious backgrounds, the book reveals an Urdu cosmopolis where lively debates thrived in newspapers, literary journals, and letters to the editor, shedding fresh light on the role of readers in shaping vernacular literary culture. Arguing against current understandings of Urdu as an exclusively Muslim language, Dubrow demonstrates that in the late nineteenth century, Urdu was a cosmopolitan language spoken by a transregional, transnational community that eschewed identities of religion, caste, and class. The Urdu cosmopolis pictured here was soon fractured by the forces of nationalism and communalism. Even so, Dubrow is able to establish the persistence of Urdu cosmopolitanism into the present and shows that Urdu's strong tradition as a language of secular, critical modernity did not end in the late nineteenth century but continues to flourish in film, television, and on line. In lucid prose, Dubrow makes the dynamic world of colonial Urdu print culture come to life in a way that will interest scholars of modern Asian literatures, South Asian literature and history, cosmopolitanism, and the history of print culture.

Gulzar the Speaking Silence

Gul Sher Ba? 2019

Gulzar's *Angoor* Sathya Saran 2019-02-25 *Angoor* (1982) is among the best-loved comedies in Hindi cinema. It is also a perfect example of Gulzar's genius as a writer complete with his impish wordplay. Through extensive interviews with some of the main actors in *Angoor* (Deepti Naval and Moushumi Chatterjee) and its earlier version - both adaptations of Shakespeare's *Comedy of Errors* - this book traces the evolution of a comic tale that continues to amuse audiences of all ages. It deftly peels the layers exploring how song, dialogue, silences and wordplay add to the actors' arsenal in creating humour that can range from rib-tickling mirth to guffaws. Sathya Saran's book reveals what lies behind the evergreen appeal of *Angoor*, with memories and anecdotes shared by Gulzar himself.

A Very Popular Exile Ashis Nandy 2007 "This is a collection of three significant works of Ashis Nandy - *The Tao of Cricket*, *An Ambiguous Journey to the City*, and *Traditions, Tyranny, and Utopias*. In *The Tao of Cricket*, Nandy shows how a game once identified with the British Empire - and a preserve of the British gentry - is now more South Asian than English. He examines the sneaking entry of the modern urban-industrial ethic and mass culture into a game that used to thrive on its ability to be a living critique of modern life. Through the story of Indian cricket, he attempts a systematic analysis of world-views, ideologies, cultural exchanges, and political choices. *An Ambiguous Journey to the City* - concerned with the apparently territorial journey between the village and the city - captures some of the core fantasies and anxieties of Indian civilization over the past century. Nandy argues that the decline of the village from the creative imagination of Indians in recent decades has altered the meaning of this journey drastically, and that the true potentialities of Indian cosmopolitanism cannot be realized without renegotiating the myth of the village. *Traditions, Tyranny, and Utopias* is a collection of essays on the modern West and its cultural and psychological impact on the East. Nandy analyses, brilliantly and insightfully, aspects of East-West relationship - from Western visions, which have displaced all other ideals of a good society, to western histories that have displaced all other pasts of the East. Yet, the apparently defeated have, through the likes Gandhi and Senghor, tried to subvert the West's construction of the rest and to ensure cultural survival and an open-ended future. This volume is essential reading for social scientists, policymakers, activists and anyone interested in the way Indian politics and culture are now enmeshed with a global struggle to protect human dignity and democratic values. This is the third omnibus edition of Ashis Nandy's writings, the first two being *Exiled at Home* and *Return from Exile*"--Jacket.

Kaash: Silence Of Broken Hearts Kaashian Baliarsingh 2021-06-10 *Kaash: Silence of Broken Hearts* is the journey of Kaash: The Monster, a neat and clean wolf in sheep's clothing. He's handsome and charming, but something in his past has made him abide by a different set of rules. He hides behind a human-seeming face, tracks down cheaters and on the nights when the moon is loudest kills them. Later, he hangs them in public after extracting their hearts out. He is on the side of Truth and Justice. Still a monster, of course, but he takes an extra-long shower after every killing, letting the cold water wash away all impurities from the body and mind. And, after a fresh shower, he is again the tall dark handsome, happy-go-lucky, quirky Kaash.

Bimal Roy Rinki Roy Bhattacharya 2009-07-15 Udayer Pathe, Bimal Roy's first film, revolutionized Indian cinema. Hailed as a pioneer by Satyajit Ray, he was perhaps the first to bring shades of grey to the black-and-white screen. Roy's spare storytelling and nuanced understanding of the human condition are reflected in classics like Devdas, Sujata and Madhumati. His ability to illuminate ordinary characters like Shambhu in Do Bigha Zamin and Kalyani in Bandini, is attested to by their being a part of popular memory even to this day. The Man Who Spoke in Pictures is not just a eulogy to this great director, but also an insight into Roy, the man, the director and his art. The auteur's little-known Bengal phase is chronicled by Mahasweta Devi and Amit Chaudhuri, as well as Tapan Sinha, Amit Bose and other greats of cinema who trace his journey from cinematographer to director. His Bombay years are recorded through a collection of analyses and anecdotes from leading literary and cinematic luminaries, including Nayantara Sahgal, Gulzar, Naseeruddin Shah and Khalid Mohammed. The final section examines Roy from the outsider's perspective, with articles by Meghnad Desai, Rachel Dwyer and Paula Mayhew.

Poems Come Home Sukrita Paul 2011-05-05 Sukrita's poetry lives and breathes the world of everyday turmoil: the homeless shivering in the rain; the guard at the Viceregal Lodge recounting his strange fascination for the cold, blue

eyes of his former masters; the transience of memory; the fear of looking too closely, lest one's suspicions be confirmed; the loneliness of old age in a cold country ... Gulzar's translations - the 'original' that lurked somewhere in the English poems, perhaps - bring to life a parallel world of quiet elegance and intensely felt emotions. In the poet's own words, it is in these translations that 'these poems come home'.

My Years in a Pakistani Prison Kishorilal Sharma 2013-10-28 He was called for his service to the motherland. He reciprocated immediately. Giving up all familial relationships, he partook in a rigorous training programme that was a true test of his heart, body, mind and soul. Fighting off his cowardly hopes of quitting the organization so as to avoid the ordeal, he was finally made battle ready. Slipped into enemy territory, his espionage attempts met with complete success. However luck soon turned against him, as during his third mission he was seized by the enemy camp and imprisoned. He was subjected to absolute third degree torture and only miraculously, and albeit divinely, escaped the contours of death on more than one occasion. But he continued to strive towards seeing his own country once again. He looked forward to coming back home. And one day, God gave him that chance. He returned to the border once again, so that he could be united with his fellow countrymen. Was the welcome given to him befitting that of a hero? Or even if not a hero's welcome, certainly he needn't have been treated like a blackguard, a traitor! Who was he after all a Spy, or a Soldier?

Two Gulzar 2017-11-25 It's the winter of 1946. A truck leaves the village of Campbellpur after news of the impending Partition pours in. It is carrying people who don't know where they will go. They have just heard words like 'border' and 'refugee', and are struggling to understand how drawing a line might carve out Pakistan from Hindustan. As they reach the border, the caravan disperses and people go their own ways. Gulzar's first novel tracks the lives of the people in that truck right from 1946 up to the Kargil war. A novel on what the Partition entailed for ordinary people, Two is also a meditation on the fact that the division of India and the carnage that followed, once set into motion, kept happening inexorably and ceaselessly, and people like those who left their homes on that truck never found another home; they kept looking for a place called home, a place to belong to.

Violence and Resistance in Sikh Gendered Identity Jaspal Kaur Singh 2020-05-25 This book examines the constructions and representations of male and female Sikhs in Indian and diasporic literature and culture through the consideration of the role of violence as constitutive of Sikh identity. How do Sikh men and women construct empowering identities within the Indian nation-state and in the diaspora? The book explores Indian literature and culture to understand the role of violence and the feminization of baptized and turbaned Sikh men, as well as identity formation of Sikh women who are either virtually erased from narratives, bodily eliminated through honor killings, or constructed and represented as invisible. It looks at the role of violence during critical junctures in Sikh history, including the Mughal rule, the British colonial period, the Partition of India, the 1984 anti-Sikh riots in India, and the terror of 9/11 in the United States. The author analyzes how violence reconstitutes gender roles and sexuality within various cultural and national spaces in India and the diaspora. She also highlights questions related to women's agency and their negotiation of traumatic memories for empowering identities. The book will interest scholars, researchers, and students of postcolonial English literature, contemporary Indian literature, Sikh studies, diaspora studies, global studies, gender and sexuality studies, religious studies, history, sociology, media and films studies, cultural studies, popular culture, and South Asian studies.

Pluto Gulzar 2015-02-15 Every poem has a season If not harvested in time, it wilts. Words wither and hang from limp metaphors. Colours fade, and the poem Drifts like fallen autumn leaves. 'Pluto lost its status as a planet only recently. Seeing Pluto sad on being rejected thus, my heart sinks. It is so far away, so tiny, so all my pint-sized poems I gift to it,' says Gulzar. In this exquisite collection of short poems, Gulzar addresses his pet themes - relationships, his relationship with God, Nature, Time, the art of poetry - with characteristic wit and brevity, and the uncommon ability to find meaning in the mundane. The bleakness of these verses on man's violence against

Nature, religious fundamentalism, physical illness and spiritual turbulences are leavened by an undertone of optimism. In Gulzar's work, even the darkest moments are filled with light; hope never gives way to despair. Beautifully rendered into English by Nirupama Dutt - and including, for the first time in a volume of his poetry in English, a collection of the poet's own sketches - this is a collection to savour and treasure.
