Runes Galina Krasskova 2009-11-24 Runes: Theory & Practice provides a thorough examination of the Norse runes. It will enable a beginner to delve effectively into their usage, but will also challenge the experienced rune-worker to better and deepen his or her understanding of these mysteries. Runes: Theory & Practice begins with an explication of the story of Odin, the Norse god who won the runes by sacrificing himself on the World Tree. It continues by examining each of the individual runes in turn, both the Elder Futhark and the lesser-known Anglo-Saxon Futhorc. Each rune is studied not only from a historical viewpoint, but also from the perspective of a modern practitioner. Most importantly, Runes: Theory & Practice specifically addresses the runes as living spirits and provides guidance on developing a working relationship with these otherworldly allies.

Living Runes Galina Krasskova 2019-06-01 Living Runes provides a thorough examination of the Norse runes that will challenge the experienced rune worker to deepen his or her understanding of these mysteries. The book begins with an explication of the story of Odin, the Norse god who won the runes by sacrificing himself on the World Tree. It continues by examining each of the individual runes in turn, both the Elder Futhark and the lesser-known Anglo-Saxon Futhorc. Each rune is studied not only from a historical viewpoint but also from the perspective of a modern practitioner. You will be introduced to the practice of galdr as well as the magical use of the runes and the proper way to sacrifice to them and read them for divination. Most importantly, the book specifically addresses the runes as living spirits and provides guidance on developing a working relationship with these otherworldly allies.

Wicca: A Modern Practitioner's Guide Arin Murphy-Hiscock 2019-08-13 Go beyond the basics of witchcraft and take your study of wicca to the next level: everything you need to know to have a deeper understanding of wicca, its teachings, and the meaning behind its rituals and practices. You've bought your crystals and cast your basic spells, planted your herb garden and smudged your home—now what? Wicca: A Modern Practitioner's Guide takes you beyond the trendy witchy basics to the deeper roots the practice, with explanations of the traditions, beliefs, and rituals that make up the wiccan religion. Learn about Solitary Wicca, which teaches you how to practice wicca—whether you work with a coven or practice alone—and goes beyond the “how” of different practices to explore the “why”: for example, when should you create a sacred space rather than cast a circle? How and why do you purify yourself before a ritual? What is grounding, and why is it important for you to ground yourself before doing spellwork? For those who seek them, Wicca has all the answers.

What If ... ? Frederick Gans 2009-08-31 Conventional probability theory states that the odds of tails coming up when flipping a coin are fifty percent. This figure is not quite correct. Once a penny slipped from my hand and fell on the kitchen table with a single knock. Strangely, the usual noise of a coin settling on a tabletop was missing. To my amazement, the penny was standing on the kitchen table on its edge. The odds against such an event are astronomic. The penny was standing there, as if an invisible hand from another dimension held the coin steady. "Nothing happens by chance," say the spiritualists. What if such a hand is there for me to steady my life and shape my future? This book describes unbelievable events in my life that prove the existence of such a helping hand.

Practical Guide to Psychic Powers Melita Denning 1981 ESP. Divination. Psychometry. Telekinesis. Astral vision. You've heard of all these talents. The amazing truth is that you can have all of these abilities when you practice the simple, but powerfully effective, exercises in Melita Denning and Osborne Phillips' *Practical Guide to Psychic Powers*. World-famous experts Denning and Phillips explain exactly what you need to develop your own innate abilities, including advice on diet, rest, and exercise. They advise you to meditate daily, and give instructions how you can bring this wonderful skill into your life. They also reveal how you can make your own tools for psychic development, such as a pendulum, ESP cards, and a Vision Mirror. *Practical Guide to Psychic Powers* explains that your attitude is important in establishing these abilities in your life. You'll discover how to eliminate boredom and stress, practice mental concentration for long periods, and have foreknowledge of the future. Many of the exercises to help you to develop psychic abilities are in the form of games, making them fun, preventing boredom, and creating faster success. For example, you'll learn a game of guessing dice, one with ESP cards, and another that uses the vision mirror to predict your future. The book teaches you how to become aware of the impressions a material object has gathered, the art of psychometry. You'll learn about contacting spiritual entities the way Spiritualists do. You'll also discover the secrets of dowsing and how to develop and use this ability. Denning and Phillips are known for their clarity of thought and for having effective techniques, as demonstrated in *Practical Guide to Psychic Powers*. Get your copy today.

The Way of the Warrior Priestess Aya 1999-10-01 A woman who struggles on the spiritual path needs validation, guidance, inspiration and practical advice. This handbook is to help her survive the transition of the past several centuries and come to her full empowerment. This is especially for she who needs to reprogram herself as the Warrior Priestess in what is still a mans world. It is for the one who seeks to understand her place as the embodiment of the Divine Feminine Spirit because now it is time to uplift the wounded feminine consciousness to its rightful power, to transmute the negative results of ignorance and subjugation. This book is a call and a guide for the neophyte on the Path as well as for all the extraordinary women who are searching for a Friend in the dark, when they are feeling most damned and abandoned because of their Vision. It is for all the Spiritual Warrior/Priestesses who have forgotten some of the pitfalls, as well as the joys, of their Journey. This book will serve as an inspiration for those who have lost that Sight. In the playing field of womens spirituality, no one book or resource offers such a clear picture of the magical destiny of the Woman of Tomorrow, especially for those with eclectic beliefs. *THE WAY OF THE WARRIOR PRIESTESS* addresses this need for self transformation by inspiring the reader with important quotations as well as the authors guidance, step by step direction, affirmations, useful astrological insights, as well as a section that asks questions that will push the reader into changing some tired perceptions. It is written to fire up the spirit of the sleeping Feminine Spirit in both women and men. It is a handbook and empowerment manual for the growing army of individuals born at this special time in Mother Earths history to help rebalance Her during certain changes. ...for all of those brave souls willing to go in an exciting new direction. *WHY THE READER SHOULD READ THIS BOOK* This is not another book about the womens spirituality movement or about why women are goddesses. Rather it is a bridge between traditional magickal wisdom and the everyday challenges of the woman of the 90s. It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives. It will give them permission and purpose to become what they really are: perfected beings. It will also bring on an almost-instant wakeup call for men. It embraces no particular theology, religion or mythology and is not a psychological treatise. It does not advocate any one path to take, nor is it anti anything except ignorance....It does come from a spacious metaphysical vision that many will relate to with a sigh of relief. The average woman is still rather paralyzed and in partial ignorance of her power as a Magical Being...because she does not even have the voice or words to help herself. And most books on this subject are still either too academic or beyond the average womans experiences. This book will serve as a tool and a light to help her see herself. The Talking Stick section at the end of each chapter is to jumpstart some profound self questioning - as well as a handy starting point in teaching situations....ideal to teach self empowerment workshops all over the world. The extensive Resources section at the back of the book is to help locate the key material for the process. This book will be appropriate for several markets: Feminist, Goddess, Spiritual, Metaphysical, Womens Self Help. It should be in metaphysical centers, universities, feminist study groups, and womens conferences and gatherings. It is for women ages 16-90 who seek inspiration and practical advice. The Psychic Vampire Codex Michelle A Belanger 2004-07-01 The Psychic Vampire Codex is the first book to examine the phenomenon and experience of modern vampirism completely from the vampire's perspective. Father Sebastiaan, a fellow vampire writes in the foreword that Michelle Belanger's system "introduced a breath of fresh air into the vampire subculture. It freed us to look at ourselves in a new light, and it also helped those outside our community to view us differently. No longer were we parasites or predators . . . we could use our inborn abilities to help people heal." Psychic vampires are people who prey on the vital, human life energies of others. They are not believed to be undead. They are mortal people whose need for energy metaphorically connects them to the life-stealing predators of vampire myth. In The Psychic Vampire Codex, Michelle Belanger, author and psychic vampire, introduces readers to the fascinating system of energy work used by vampires themselves and provides the actual codex text widely used by the vampire community for instruction in feeding and other techniques. Belanger also examines the ethics of vampirism and offers readers methods of protection from vampires. The Psychic Vampire Codex explodes all preconceptions and myths about who and what psychic vampires really are and reveals a vital and profound spiritual tradition based on balance, rebirth, and an integral relationship with the spirit world.

The Llewellyn Practical Guide to Astral Projection Melita Denning 1979 The Llewellyn Practical Guide to Astral Projection by Denning and Phillips is simply the best step-by-step set of lessons for learning this skill ever published. Over a quarter-million people are using this book to help them learn this valuable skill. If you want to learn how to project your consciousness onto the astral plane, you should use it, too. First, as the book shows, this skill is natural. You do it all the time (in dreams, for example.) In a sense, it is more natural than walking. It is a skill you can develop with practice. Further, it allows you to have spiritual experiences on the astral plane. Plus, what you create on the astral plane creates changes on the physical plane. This is true magick! Heal someone on the astral and they will be healed on the physical. Create opportunities on the astral and you will have them on the physical. You can even experience sex on the astral plane for one of the most dynamic experiences you will ever have. And you can learn how to do all of this in The Llewellyn Practical Guide to Astral Projection. But it is not only the information in this book that makes it easy to understand and use. The very design of each chapter ? as well as the illustrations, photos, charts, etc. ? make it easy for you to learn the techniques to consciously control your astral projection experiences. The book begins by showing you what astral projection is and what it is not, what can happen and what is fantasy. As a result, you will discover that astral projection can be safe, comforting, exhilarating, and fun. Then you will learn methods of being able to let your consciousness leave your body and safely explore the astral plane. With this book in hand you can explore realms you've only dreamed of. Make your dreams a reality.

The Study of Witchcraft Deborah Lipp 2007-10-01 The Study of Witchcraft is a compendium for Wiccans who want to deepen their understanding of their traditions. Advanced Wiccan reaches beyond Wicca, delving into topics as diverse as history, psychology, divination, and lucid dreaming, The Study of Witchcraft introduces the reader to these topics, discussing each in depth and offering a one-of-a-kind course of study -- including recommended reading, offering readers --increasingly, solitary witches -- a self-study guide and a rich resource. The Study of Witchcraft includes information for all sorts of Wiccans; traditional, eclectic, radical, groups, and solitary. Wide-ranging topics also include Western occultism, myth and folklore, meditation, astrology, the Burning Times, history, herbalism, and much more. Deborah Lipp opens the book with a discussion of the past 40 years of Wiccan history and talks about the diverse people who call themselves Wiccans. Then, throughout the study guide portion, she offers information tailored to different types of Wiccans. Essentially, The Study of Witchcraft is a veritable master's degree in Wicca in book form! * Written for the needs of the modern wiccan, who learns primarily by self-study.

Spiritual Protection Sophie Reichter 2018-08-20 "Spiritual Protection is a necessary addition to any spiritual bookshelf, regardless of individual path. The instructions are clear enough for a beginner but with enough thoughtful information that even a seasoned practitioner can learn a thing or two." —Anya Kless, author of Lilith: Queen of the Desert Spiritual Protection: A Safety Manual for Energy Workers, Healers, and Psychics is a training handbook for anyone interested in deepening their psychic abilities, training gifts already in evidence, or simply

developing a greater sensitivity to energy. This no-nonsense book, with its special emphasis on safety, protection, and energetic awareness, takes readers step by step through a thorough system of exercises designed to increase competence, confidence, and skill. Focusing on oft-neglected fundamentals, Reicher cuts through the complexity and confusion so often surrounding this topic and instead offers clear instructions and explanations that even the most novice of readers can easily follow. Spiritual Protection will show: Psychics and Readers how to cut mental ties at the end of session. Healers how to avoid energetic overload during a session. Techniques can be used everyday to help with stress and overall well-being.

The Necronomicon Files Daniel Harms 2003-07-01 What if a book existed that gave answers to everything you've ever wondered about? What would you do to learn its secrets? Tales of such books have abounded for millennia and are legend in occult history. One of the most pervasive modern iterations is that of the Necronomicon, said to be a genuine occult text from the 8th century. The Necronomicon really is the creation of science fiction writer H.P. Lovecraft (1891-1937), in whose books the magic volume first appears in print. In The Necronomicon Files two occult authorities explore all aspects of The Necronomicon, from its first appearance in Lovecraft's fiction to its ongoing pervasive appearance in cult and occult circles. The Necronomicon Files, revised and expanded further, reveals the hoax of the Necronomicon. Harms and Gonce show that the apocryphal history of the Necronomicon was concocted by Lovecraft to lend it verisimilitude in his fiction. The magical text was transformed into an icon among Lovecraft's literary circle, who added to the book's legend by referring to it in their own writing. People became convinced that it was a real book and its references in literature and film continue to grow. The book also examines what people have undergone to find the Necronomicon and the cottage industry that has arisen over the past three decades to supply the continuing demand for a book that does not exist. Scholarly yet accessible, humorous and intriguing, The Necronomicon Files illuminates the depth of the creative process and the transformations of modern myth, while still managing to preserve much of the romance and fascination that surrounds the Necronomicon in our culture.

The Practical Psychic Self-Defense Handbook Robert Bruce 2011-03-01 Is everything that goes on in your mind really you? Perhaps not, says Australian psychic researcher Robert Bruce. Drawing on more than two decades of firsthand research and experience, Bruce reports that our minds are subject to influences from many unseen spiritual sources. Some of these can influence how we think, feel, act, and even how our bodies function. They can make us unhappy, irritable, confused, sick, unstable, even crazy. This is why we need practical tools and countermeasures for psychic self-defense, all of which Bruce provides. This is the ultimate guide to combating the influences of earthbound spirits, deranged ghosts, astral snakes and spiders, demonic spirits, and poltergeists. This is a highly anecdotal and comprehensive practical guide to the dark side of the psychic universe.

Practical Guide to Psychic Self-Defense Melita Denning 2002-09 Deliberate psychic attack is very rare. However, your psyche is constantly under attack from friends and strangers, advertisers and politicians who want to manipulate you. Luckily, there is a solution?Denning and Phillips" The Llewellyn Practical Guide to Psychic Self-Defense. The best way to overcome attacks on your psyche is through awareness that they are occurring. This requires you to become more awake and alert to this bombardment. Part of the technique is to understand how this attempted manipulation works. By studying this book you will gain that knowledge. The result is that the psychological intimidation that has been used on you in the past will no longer control you. There are two types of psychic attack. The first kind is attack by a person who has not had any occult training. He or she may feel slighted or betrayed by you (based on actual or imagined situations) and hold on to negative emotions. Eventually, unknown to that person, the negative energy can leap out, directed at you. This book reveals that your aura is your best line of defense. By using the exercises in this book to strengthen your aura, any such unintentional psychic attack will easily be dispelled and discharged. Even more rare is the "classic" psychic attack where a person does some sort of spell or ritual to harm you. Full instructions are given for overcoming such negative magick, both on a practical, physical level (sever any physical connection between you and the attacker) and on a ritual, spiritual level (perform blessings and rites to overcome psychic attack). But what happens if an attack does get through? First, you have to know how to recognize it. Usually, a successful attack strikes at your weak link. That could be your physical health (causing illness) or your mental attitude (causing depression). This book will show you how to recognize the problem and how to deal with it effectively.

Creative Money-making Osborne Phillips 2015-02-18 The world is full of people who 'wish' they were rich. If you just wish, then you have a lot of competition! But if you really WANT to be rich, this is the book for you. Money is a great force on the material level and also on the non-material levels of life. CREATIVE MONEYMAKING shows you how, step by step, you can easily combine these levels and work with them, so that money will naturally flow to you and stay with you - AND GO ON INCREASING. How is it that some people attract money, and others don't? It doesn't depend on how hard they work. Neither is money attracted by being a miser. How do you avoid that and still be a good saver, living a happy and normal life? How do you attract OPPORTUNITY? How do you develop the special insights and perceptions of a successful investor? What really makes a 'financial wizard'? All these questions are answered in 'CREATIVE MONEYMAKING: The Psychic Path to Abundance', in the frank, direct style which characterizes the work of Denning and Phillips. To read this book and to put its teachings into full effect you don't need to start out with any special knowledge of either financial or esoteric matters. Everything is set out clearly, in a way that will keep up your motivation and help you advance naturally and easily through Positive Saving, Creative Money-making, Creating Investing! The techniques provided in this book will not only help you to create prosperity and abundance at the earthly level, but they will enhance your psychic faculties and strengthen your rapport with the living energies of the cosmos. This New EDITION of a

classic title has been revised and updated by Osborne Phillips, one of the authors of the original Llewellyn paperback.
